

Introducing the "Off-Roader 4WD"

The Off-Roader 4WD replaces the Trekker 4WD from February 2007. This vehicle features a pop-top roof, like the Trekker, but is based on a Toyota Landcruiser 4WD.

The Off-Roader 4WD is available for bookings effective immediately (on the booking code BP4WD), with travel from 01 February 2007.
